SUBJECT INDEX FOR VOLUME 15

A

Adaptive Environmental Assessment and Management (AEAM)
  development-oriented research and, 341
Africa
  agricultural development projects, 275
Agricultural development projects
  environmental impact assessment and, 275
Alternative fuels
  carbon dioxide emissions reduction and, 241
Austria
  1993 Austrian Environmental Impact Act, 361
Authors, notes on, 1, 107, 195, 287, 399, 475
Automobiles
  global warming and, 241

B

Banking
  wetland impacts mitigation, 197
Biogeographic analysis
  for cumulative effects assessment, 81
Biophysical environmental impact assessment, 311

C

Canada
  Canadian Environmental Assessment Act, 497
Carbon dioxide emissions reduction, 241
Central and Eastern European (CEE) countries
  harmonization approach, 289
Citizens groups
  1993 Austrian Environmental Impact Act, 361
  1993 Austrian Environmental Impact Act and, 361
  New Bedford Harbor Superfund Forum and, 517
Community, local
  role in environmental health, 477
Companies' environmental performance
  concept of "green" and, 401
  private firms and environmental awareness, 3
Conflict resolution
  environmental enforcement disputes and, 139
Consultation
  environmental assessment and, 219
Consumers
  concept of "green" and, 401
Cooperative discourse model
  for public decision making, 443
Corporate environmental performance
  concept of "green" and, 401
Cumulative environmental assessment
  global change and, 295
  methods for, 81
  questionnaire, 311

D

Development-oriented research
  environmental impact assessment of, 341
Dispute resolution process
  environmental enforcement, 139
  learning process in environmental, 69
  New Bedford Harbor Superfund Forum, 517
  waste facility impact in host community, 157
Distress, psychological
  environmental impact assessments and, 115

E

Ecological impact assessment
  carbon dioxide emissions reduction, 241
Ecological modeling
  for cumulative effects assessment, 81
Economic growth/development
  environmental evaluation procedures and, 45
Education, public
  environmental assessment and, 219
The Environmental Assessment Review Process (EARP)
  Guidelines Order, 497
Environmental awareness
  private firms and, 3

information exchange and, 69
mediation and, 139
New Bedford Harbor Superfund Forum, 517
waste facility impact in host community, 157
Environmental performance
concept of "green" and corporate, 401
Environmental policy making
South Africa, 45
Environmental site assessments
standardization, 465
European bank for reconstruction and development, 289
European Union
1993 Austrian Environmental Impact Act, 361
Expert/elitist approach
environmental evaluation procedures and, 45
Expert opinion
for cumulative effects assessment, 81

F

Farming systems, local
environmental impact assessment and, 275
Financial institutions
environmental site assessments
standardization and, 465
Fuels, alternative
carbon dioxide emissions reduction and, 241

G

Geographic information system
cumulative environmental assessment and, 295
Global change
cumulative environmental assessment and, 295
Global warming
automobiles and, 241
Government agencies
environmental site assessments
standardization and, 465
Green
concept of, 401

H

Harmonization
softened approach, 289
Hawaii
reference group as standard of impact analysis, 179
Health risks
installations with major, 421
Host community
siting package development for waste facilities, 157

I

Impact analysis standard
reference group as, 179
Impact pathway analysis
for incinerator emission data, 421
Information exchange
environmental dispute resolution process and, 69
Information feedback
environmental assessment and, 219
Integrated environmental management (IEM)
South Africa, 45
Interactive matrices
for cumulative effects assessment, 81
International trade policy decision-making
public participation in, 507
Interorganizational Committee on Guidelines and Principles for Social Impact Assessment, 11

K

Knowledge-based systems
environmental assessment and, 219

L
Land use planning
environmental input and, 483
political decision process and impact assessment, 377
Landscape analysis
for cumulative effects assessment, 81
Learning process
environmental dispute resolution and, 69
Local community
role in environmental health, 477

M
Massachusetts
stakeholder understanding, technical capability, and responsibility development, 517
Mediation
environmental enforcement disputes and, 139
Mind mapping
impact analysis and, 179
Mitigation banking
for wetland impacts, 197
Mitigation programs
social impact assessment and, 11
Motor vehicles
global warming and, 241

N
National Environmental Policy Act (NEPA)
social impact assessment guidelines and, 11
Natural capital
cumulative environmental assessment and, 295
Negotiation, environmental
information exchange and, 69
mediation and, 139
New Bedford Harbor Superfund Forum, 517
waste facility impact in host community, 157
Network analysis
for cumulative effects assessment, 81
New Bedford Harbor Superfund Forum
stakeholder understanding, technical capability, and responsibility development, 517
Norway
political decision process and impact assessment, 377

P
Participation process
environmental and social impact assessment and, 443
Plain-language legislation/policies
environmental assessment and, 219
Planning and design
environmental input to project, 483
Political decision process
impact assessment and, 377
Pollutants
impact pathway analysis for, 421
local community role in environmental health, 477
Private firms
environmental awareness and, 3
Professional organizations
environmental site assessments standardization and, 465
Project planning and design
environmental input to, 483
Psychological distress
environmental impact assessments and, 115
technological hazards and, 115
Psychosocial factors
environmental impact assessments and, 115
Public education
environmental assessment and, 219
Public participation
1993 Austrian Environmental Impact Act and, 361
environmental and social impact assessment and, 443
trade policy decision-making and, 507

R
Real property
environmental site assessments standardization for, 465
Recommendation
from environmental impact assessment to, 377
Reference group
impact analysis standard, 179
Regional development
environmental disputes and, 69
Research, development-oriented
environmental impact assessment of, 341

S
Siting agreement
for waste facilities, 157
Slovenia
environmental health in, 477
Social impact assessment
guidelines, 11
public participation and, 443
reference group as standard of impact analysis in, 179
Social learning
environmental and social impact assessment and, 443

Social resource unit
impact analysis and, 179
South Africa
environmental evaluation procedures, 45
Spatial analysis
for cumulative effects assessment, 81
Sustainable development
private firms and, 3
Switzerland
participation process in environmental and social impact assessment, 443

T
Technological hazards
psychological distress and, 115
Three Mile Island's nuclear reactor
psychological distress and, 115
Toxic chemical waste
impact pathway analysis for, 421
Trade policy decision-making
public participation in, 507
Transportation
political decision process and impact assessment, 377

U
U.S. Environmental Protection Agency (EPA)
environmental site assessments standardization and, 465

V
Value assumptions
environmental impact assessments as, 109

W
Waste facilities
host community siting package development, 157
Wetland loss
mitigation banking, 197
